RED RIBBON QUEST

Everyone has a unique set of talents and perspectives that can impact the world in meaningful ways. The challenge can be uncovering and understanding your uniqueness or simply being reminded of the miracle that you are!

Uncovering your Strengths

Getting in touch with how you're made drives passion and purpose

Insights from your Personal Map

Meant to inform, not define, hindsight from your past brings valuable insight to your future

Assessing your Personal World

An in-depth guided tour of your life today provides a solid foundation for deciding your next steps.

Calibrating to your Priorities

Work/life balance is an impossible standard. Give yourself permission to choose your priorities.

Destination: Your Future

Fast forward your thinking to describe the life you desire

Roadmap for Courageous Action

Making commitments to the bold steps and baby steps required to achieve your desired future

Building Momentum for Success

Encouragement and accountability to support goal achievement including tracking tools

If you are serious about growth and ready for honesty, vulnerability and accountability to improve your life, **Red Ribbon Quest** is for you!

Embarking on a **Red Ribbon Quest** will uncover your strengths and allow you to develop a vision and a personalized strategic plan for a future based on what you are uniquely good at.
